

Aakash BYJU'S Celebrates Remarkable Success: 112 Students Achieve Subject wise 100 Percentile in Common University Entrance Test (CUET) 2023

July 18, 2023: An impressive 112 students from Aakash BYJU'S, the national leader in test preparatory services, have scored a perfect subject wise 100 percentile in the esteemed Common University Entrance Test (CUET) 2023. This outstanding feat is a testament to the students' and faculty's unwavering dedication and hard work at Aakash.

Among these achievers, an impressive 61 students from Aakash achieved a perfect 100 percentile score in Biology, demonstrating their exceptional knowledge and dedication. Not to be outdone, 23 students attained a perfect score in Chemistry, while 14 students excelled in English. The success continued in Physics, with 11 students securing a 100 percentile score in Physics and three students receiving a perfect grade in Mathematics.

This momentous achievement would not have been possible without the perseverance of Aakash educators and the unyielding determination of our students. Aakash has consistently empowered students to reach their full potential via innovative teaching methodologies, personalized attention, and extensive study materials.

Mr. Abhishek Maheshwari, CEO, Aakash Educational Services Limited (AESL), expressed his pride in the students' success as well as the dedication of the institute's faculty. He stated, "We are immensely proud of our students who have displayed unparalleled brilliance in the CUET 2023. This exceptional accomplishment is a testament to their hard work and the dedication of our faculty, who consistently strive to nurture young minds and shape their future. At Aakash, we remain committed to empowering students with the best resources and guidance, and this achievement reinforces our determination."

The Common University Entrance Test (CUET) is a significant milestone for students seeking admission to undergraduate programmes in all Central universities for the academic session 2023-24, as administered by the Ministry of Education (MoE). The CUET facilitates stronger connections with universities and streamlines the admission process to provide equal opportunities for candidates across the country, particularly those from rural and remote areas. By providing a common platform for assessment, the CUET enables candidates to broaden their horizons and pursue educational opportunities in various Central Universities.

The CUET received a tremendous response this year, with almost 14.99 lakh students registering for the examination. Out of these, more than 11.11 lakh candidates actively participated, showing the CUET's growing popularity and importance in the academic landscape.
