

Around 13000 students of Aakash BYJU'S students clear JEE Mains 2023; 4088 score an impressive 95 percentile and above; 11 under AIR 100 and 45 under 500

April 29th, 2023, New Delhi: Marking a stupendous result in JEE Mains 2023, around 13,000 students of Aakash BYJU'S have cleared the JEE Mains 2023. Out of the 13,000, 4088 students from across the country inked an impressive score of 95 percentile and above, 968 have scored 99 percentile and above. 11 students have secured ranks under AIR 100 and 45 found place in top 500. The results were announced by the National Testing Agency earlier today.

The Top scorers in the Classroom course at Aakash Institute are Dhruv Sanjay Jain, Chhattisgarh State Topper with AIR 8 and Kamyak Channa, Chandigarh city topper with AIR 21, Anoop Singh, Prayagraj city topper with AIR 46; Aakarsh D. Reza, Bhatinda city topper with AIR 64 and Nikhilesh with AIR 89.

JEE is considered the world's toughest entrance exam. The students attributed their entry into the elite list of top percentiles in JEE to their efforts in understanding the concepts, and their strict adherence to their learning schedule. *"We are grateful that Aakash BYJU'S has helped us with both. But for the content and coaching from the institute, We would not have grasped many concepts in different subjects in a short period of time," they said.*

Congratulating all the students, Mr. Abhishek Maheshwari, CEO, Aakash BYJU'S, said, "We are proud of our students who have excelled in the JEE Main 2023 results. The credit goes to the hard work put in by our students, the support of their family and our faculty, as well as the quality test preparation imparted at Aakash BYJU'S. I wish them all the best for their future endeavours"

JEE (Main) is conducted in two sessions to give multiple opportunities for students to improve their scores. While JEE Advanced is only for admission to the Indian Institutes of Technology (IITs), JEE Main is for admission to several National Institute of Technologies (NITs) and other centre-aided engineering colleges in India. Students must appear for JEE Main to sit for JEE Advanced.

Aakash BYJU'S offers IIT-JEE coaching in multiple course formats for high school and higher secondary school students. In the recent past, Aakash increased its focus on developing Computer Based Training. Its iTutor provides recorded video lectures. The mock tests simulate the real exam scenario, thus giving the students the required familiarity and confidence in facing the exam.
