

Aakash Institute Student Manan Khandelwal from Bhopal becomes International topper in National Science Olympiad

March 25, 2021, Bhopal: Manan Khandelwal, a student of Aakash Institute Bhopal has made the institute and Bhopal proud by scoring an impressive **60/60** and have cleared the prestigious National Science Olympiad (NSO) Exam. He has secured Rank 1 in International, Zonal and Regional rankings. The NSO exam is conducted with the aim to identify and encourage the scientific talent of school students across India and abroad.

Congratulating Manan, Mr. **Aakash Chaudhry, Director and CEO of Aakash Educational Services Limited (AESL)** said, "It is a matter of great pride for us that our student **Manan Khandelwal from Bhopal** has excelled in the National Science Olympiad by securing International, Zonal and Regional rank 1. The credit goes to the hard work of our student, the support of **his** parents and instructors who have guided the student throughout **his** journey. Our quality test preparation is renowned in the industry for preparing students to excel in medical and engineering entrance exams. I wish **him** all the best for future endeavours."

Manan credited his outstanding performance to hard work and the excellent coaching provided by Aakash Institute instructors for the examination.

NSO or the National Science Olympiad is a competitive exam conducted each year for school students by the Science Olympiad Foundation. The Olympiad helps them to judge their academic progress by giving them the chance of competing with students from all over the country. The students participating in the Olympiad are ranked on the basis of marks obtained in it. Based on these marks, the students can judge themselves within school, at city level, at zonal level and at international level. The participating students also receive a Student Performance Report (SPR) that helps them get a detailed performance comparison.
