Apart from the 14 classroom students, 13 students from the DLP (Distance Learning Programme) and 5 from Aakash Live have secure ranks in Top 200. Students who secured rank in Top 100 from DLP and Aakash Live are Rishit Shrivastava from DLP who secured (Rank 25), Khushang Singla from DLP (Rank 30), Prerak Contractor from Aakash Live (Rank 35), Divyansh Singhal from DLP (Rank 48) and Parth Patel from DLP (Rank 72).

All the Classroom students joined Aakash Institute in a two-year classroom programme to crack IIT JEE, considered the world's toughest entrance exam. They attributed their entry into the elite list of top percentiles in JEE to their efforts in understanding the concepts, and their strict adherence to their learning schedule. "I am grateful that Aakash Institute has helped us with both. But for the content and

coaching from the institute, I would not have grasped many concepts in different subjects in a short period of time,” they said.

Congratulating **the students, Mr. Aakash Chaudhry, Managing Director, Aakash Educational Services Limited (AESL)**, said, “We congratulate the students for their exemplary feat. Achieving ranks in Top 100 is no mean feat and I applaud Anmol, Pravara, Vinay and Hardik for the same.

A total of 1,41,699 students appeared for JEE Advanced 2021 from across the country out of which 41,862 have qualified. Their achievement as top percentile scorer speaks volumes of their hard work and dedication as well as the support of their parents. We wish them all the best with their future endeavors.”

He added that during the pandemic-hit academic years, Aakash Institute walked the extra mile to turn students into top percentile scorers in JEE. “We stepped up our digital presence to be always available for our students. We made study materials, and question banks accessible online. We conducted several virtual motivational sessions and seminars on exam preparation and time management skills. It is heartening to see our efforts paying off, as evident from the score sheets of our students, many of whom are well on their way to get admission in a top IIT or NIT or a central government’s engineering college to pursue higher studies of their choice.”

JEE Advanced is conducted annually for students who have qualified JEE Mains organized by one of the IITs yearly. While JEE Main is for admission to several National Institute of Technologies (NITs) and other centre-aided engineering colleges in India, JEE Advanced is considered as the sole prerequisite for admission to the Indian Institute of Technology (IIT). However, Students must appear for JEE Main to sit for JEE Advanced.

A total number of 141699 candidates appeared in both papers 1 and 2 in JEE (Advanced) 2021. A total of 41862 candidates have qualified JEE (Advanced) 2021.
