

Aakash+BYJU'S student Tanishka Kabra win a silver medal in International Chemistry Olympiad 2022

Tanishka represented India in China

New Delhi, July 18, 2022: Tanishka Kabra, a student from Aakash+BYJU'S, the national leader in test preparatory services, have made the organisation and the nation proud by outshining in the prestigious International Chemistry Olympiad 2022 by securing a silver medal for her stupendous performance. The students have been selected by HBCSE to represent India in International Chemistry Olympiad 2022 respectively.

Based on her performance in the Indian Olympiad Qualifier in Chemistry (IOQC) Part II Tanishka Kabra was selected by HBCSE to represent India in International Chemistry Olympiad 2022, organised by China and which was held from July 10th to 18th 2022 via online mode.

The examination is organized by the Association of Teachers in Biological Sciences in association with Indian Association of Physics Teachers and Homi Bhabha Centre for Science Education (HBCSE). Each year over 30,000 students of 12th Standard or below, sit for this examination.

IOQC is intended for students of 12th standard, though 11th standard students are also allowed to appear for the examination. There is a designated statewise quota according to which the students are selected for the next stage. Further all students scoring greater than 80% of the average of the top ten scores at national level (called as Merit Index Score) get automatically selected irrespective of the statewise quota. Usually, top 1% students from this examination are selected to sit for the Indian National Chemistry Olympiad.

Congratulating the students on the impressive results, **Mr Aakash Chaudhry, Managing Director, Aakash+BYJU'S** said: *"We are very proud of Tanishka who represented India at global platform in China for IChO 2022. We would also like to thank the parents for extending support. The credit goes to the hard work put in by our students and faculties as well as the quality test preparation imparted at the institute. I wish them all the best for the next round."*

Aakash+BYJU'S aims to help students in their quest to achieve academic success. It has a centralized in-house process for curriculum and content development and faculty training and monitoring, led by its National Academic Team. Over the years, students from Aakash have proven selection track record in various Medical & Engineering Entrance Exams, Competitive and Olympiads.
