This is the third year in a row when we have secured such a historic result. The credit goes to the hard work put in by our students, proper guidance by the faculty and as well as the quality test preparation imparted at the institute. I would also like to extend our gratitude to the parents for being a constant support to their children. Their dedication towards their passion of becoming a doctor and persistent efforts to achieve the target is now inspirational for lakhs of students including those who remain there in villages and remotest areas of the country. Our quality test preparation is renowned in the industry for preparing students to excel in medical and engineering entrance exams. I wish **all the students** all the best for their future endeavours."*

The students credited their outstanding performance to the hard work and the excellent coaching provided by Aakash BYJU'S for the examination, which is considered amongst the most competitive in the world. The NEET Exam is applicable for admission to all medical colleges in the country.
