Message

A lot has changed at Aakash during the transition from a humble coaching institute to becoming a recognized name in the education field. We live by the notion that the very essence of success is a strong value system. We still believe in the age-old Indian concept of “Guru-Shishya” relationship where a guru shares his knowledge reserve with his pupils and the ‘Shishya’ strives hard to quench his/her thirst for knowledge.

It has been our endeavour to always keep “Student First” and make Aakash much more than a coaching institute, which is to build it into an institution of repute and purpose. We consider our students the torchbearers of the future of the country and thus, aim to enlighten the future of the nation through this young generation. We dream of a progressing India through the eyes of our students and assist them in accomplishing their dreams with the collective efforts of our faculty & staff members, our students and their parents.

For the last 32 years, we have been nurturing students and helping them in their endeavour to qualify in various Medical and Engineering entrance exams in the country. This endeavour is actually a journey, which we take along with our students. We wish to feel their emotions, their frustrations, their dreams, their vision, their struggles and their joys. Together we live an experience, which they would remember as one of the most cherished moments in their lives after qualifying the coveted competitive exams.

Even today, we aim at clearing doubts and strengthening the fundamentals of students in their subjects, because we believe these cleared doubts and strengthened fundamentals will eventually strengthen the destiny of our nation, which actually lies in these hands that are holding the ‘mighty’ pen & are now learning with technology. And we are confident that with Aakash, their future is in safe and progressive hands.

J. C. Chaudhry
Chairman & Managing Director (CMD)

Popular Olympiads & Scholarship Examinations at a Glance

Olympiads

Olympiads provide a unique competitive platform to young intellectuals. They help students analyse their weak and strong attributes and bring out the best in them. Olympiads are highly challenging in nature which improves students' aptitude and builds their confidence. In addition, they cultivate analytical thinking, improve conceptual understanding and enhance problem solving skills.

Each Olympiad is a separate exam with its own organizing body and a common set of rules and regulations. Olympiad exams, thus, serve as a platform to challenge the intellectual minds in mathematics and science across the world.

NTSE

(National Talent Search Examination)

The National Talent Search Examination (NTSE) is a national level scholarship program in India started in the year 1963. The purpose of the scheme was to identify talented students and nurture their talents. 'Talent' refers to the potentiality that manifests itself at a high level of performance in one or more specialized areas. Therefore, it covers areas like Science, Social Science, Engineering, Medicine, Management and Law. It is organized by – National Council of Educational Research and Training (NCERT) and it honors and helps talented students by providing financial assistance in the form of a monthly scholarship. For the courses in Basic Sciences, Social Sciences and Commerce, this assistance is provided up to Doctor of Philosophy (Ph.D.) level whereas for professional courses like Engineering, Medicine, Management and Law this assistance is given only up to Post Graduation. The scheme is open to students of Indian nationality studying in class X. It not only helps students to proliferate their mental level but also helps them to sharpen their minds.

Note: Schedule and pattern of tests are subject to change as per the respective entrance exams.

GUIDELINES FOR ONLINE TESTS

1. The Online Tests shall be available on our website: digital.aakash.ac.in
2. The Instructions for attempting Online Tests will also be available in Student Login.
3. A sample of online practice test shall be available on our website: digital.aakash.ac.in as mentioned in the schedule for trial and to make students familiar with the online test process.
4. Each student on enrollment shall be provided a Username and Password through SMS, for attempting online tests.
5. The Username and Password provided to the student will automatically expire after the completion of the course.
6. In order to get All India Ranking, the student should attempt the test within **24 hrs.** If the student attempts the test after 24 hrs., he /she will not be eligible for AIR Ranking.
7. No hard copy of online tests will be provided. However, after the submission of the test, print out of the test papers and the solutions can be taken.
8. The facility to download the test papers as well as solutions of each test will be available in student login until the date of the last test, as mentioned in the schedule.

NOTE:

1. The students need to download the AIATS - Admit Card from our website: www.aakashtest.com, which is must to appear in the AIATS (only for offline students).
2. Aakash Institute reserves the right to make any change regarding Test Schedule and Date of AIATS without any prior notice.

Advantage

The score of online tests of a student will be compared to the scores of other students of Aakash, thereby giving students an opportunity to see their simulated rank at All India level among students enrolled at Aakash. The ranking will be provided among all those students who join this program across various cities in India.

JEE (Joint Entrance Examination)

The Department of Higher Education, Ministry of Human Resource Development, Government of India has entrusted the responsibility of conducting Joint Entrance Examination JEE (Main) to the National Testing Agency (NTA) from 2019 onwards. This examination was previously conducted by the Central Board of Secondary Education (CBSE) until 2018.

The NTA is only an examination conducting body. After the declaration of result, the data is handed over to the CSAB/JoSAA or the concerned State government / institute for Seat Allocation Process and Admission Procedure.

JEE (Main) is applicable for admission to IITs, NITs and other CFTIs. JEE (Main) is conducted in two phases in the month of January and April respectively in CBT

(Computer Based Test) Mode. The Paper-1 of JEE (Main) is also an eligibility test for the JEE (Advanced), which the candidate has to take if he/she is aspiring for admission to the undergraduate programs offered by the Indian Institute of Technology (IITs).

The JEE (Advanced) is conducted by the seven Zonal Coordinating (ZC) IITs under the guidance of the Joint Admission Board (JAB). The performance of a candidate in this examination forms the basis for admission to the Bachelor's, Integrated Master's or Bachelor-Master Dual Degree in Engineering, Sciences or Architecture (entry at the 10+2 level) in all the IITs. The decisions of the JAB will be final in all matters related to JEE (Advanced) and admission to IITs. The Joint Entrance Examination (Advanced) is held in CBT Mode in the month of May.

IMPORTANT INFORMATION FOR STUDENTS & PARENTS

Dispatch / Test Schedule

The dispatch schedule and topic-wise schedule of the tests are available on our website: dlp.aakash.ac.in

Office Timing

09:00 AM to 06:00 PM

Fee / Postal Charges

- The fee includes postage/courier and handling charges for Indian residents.
- Any change of address or phone numbers or any biographical detail should be notified to the DLP Division 15 days prior from the next dispatch date without any delay via E-mail at care.dlp@aesl.in, otherwise rest of the dispatches will be stopped.
- If the dispatch is returned to us due to change of address/door locked/non-availability of addressee, the courier/postage charges of ₹500/- will be charged for sending the dispatch again. If the said amount is not paid by the student then rest of the dispatches will be held.
- If the study material provided to the student is lost / misplaced once delivered at his/her correspondence address, a duplicate book can be obtained against the payment of ₹300/- per book (including GST), through DD / Cheque / Online / Card.

Note: No Cash will be accepted for any type of fee.

Misprints and Defective Lessons

- Each lesson is checked thoroughly to rectify errors before it goes for printing. However, considering the large number of pages involved, some misprints or errors may occur. In case you notice it, please inform us immediately via e-mail at care.dlp@aesl.in
- As soon as you receive a dispatch, check all the booklets and pages carefully. Blank or missing pages in the lesson must be brought to our notice within 10 days of receiving the dispatch by you via e-mail at care.dlp@aesl.in
- If the missing/defective pages are less than 20, you can contact us about the subject, lessons and page numbers via written application, or e-mail at care.dlp@aesl.in so that we can send you the relevant pages.
- However, if you find more than 20 defective pages in a booklet, you may return the full booklet to us for replacement. In such cases, the charges for courier (for book replacement) will be borne by the student. You can write to us at care.dlp@aesl.in

Request for Change of Address & Phone No.

- Any student who wants to change the Address & Phone no., stoppage or resumption of dispatch material should send a request letter via e-mail at care.dlp@aesl.in.
- No telephonic request will be entertained, unless confirmed via e-mail at care.dlp@aesl.in. This is being done to prevent any sort of fraud and to safeguard the interest of our bonafide students.

DLP Doubts

In order to get the desired response within standard turnaround time for asking your doubts, kindly follow the updated doubt resolution process of Aakash-QRC (Query Resolution Cell):

Step 1: Login to dlp.aakash.ac.in with your credentials

Step 2: Once logged-in, please click on "Doubt Clearing Session" on left-side

Step 3: Fill in your details and submit your doubts

Note:

- You will NOT be able to ask more than 5 questions per day.
- The turnaround time for getting the answers will be 2 working days (Holidays & Sundays are not to be counted).
- Doubts sent on <<email IDs>> will NOT be entertained anymore. Please follow the steps mentioned above to ask your doubts.
- Doubt questions must carry complete information, along with options / figures (if any).
- Please note that if your doubt does not comply with the above mentioned requirements, it will not be entertained.

Caution

If at any point of time there is a change in the policy of the Govt. regarding the pattern of School / Board and competitive Exams, the Institute will immediately update / modify the course contents, assignments, reschedule the days and timings as per the need and requirement of the new pattern of exam.
