All India Aakash Test Series (AIATS)

Aakash Institute launched "All India Aakash Test Series" in the year 2003 for students of Class VIII, IX, X, XI, XII & XII Passed. Since then, this test series program has helped thousands of students in cracking Medical / Engineering & Foundation level exams.

AIATS
ALL INDIA AAKASH TEST SERIES
for
MEDICAL | ENGINEERING FOUNDATION

Features

- Adaptive in nature – As per the exam pattern and year over year difficulty level

- Chapter wise % distribution of Questions in each paper (Part Syllabus or Full Syllabus) based on the relative weightage of each chapter in NEET/JEE-previous year's papers analysis

- Difficulty level - Questions are distributed in Easy, Moderate and Difficult categories from each chapter based on NEET/JEE past year's papers analysis

- AIATS is available in both English & Hindi medium for NEET and JEE (Online & Offline Mode) and only in English medium for Foundation Courses (Online Mode)

Benefits

- Gives exact feel of NEET paper-real simulation with NEET

- Best way to assess the preparation level relative to others across the country

- Short tips and tricks are given for solving numerical and lengthy questions

- Solutions are made available after 48 hrs. of each test

- Topic-wise and subject–wise detailed analytical report of each AIATS for every student helps to understand the areas of improvement

- Quick and easy analysis of each question is given highlighting its pattern, origin and relevance to targeted competitive exams

Comprehensive Study Package (CSP)

Features

- Each Chapter is designed from Concept to Application in simplified way which is easy to understand. It is written in a self-study module format

- Each Chapter is divided into number of sub units. Each sub unit is followed by MCQs and subjective questions which helps in conceptual understanding

- Contains quick recap at the end of each chapter – To give a snap shot / mind map of each chapter

- Sufficient number of Multiple-Choice Questions (MCQs) are provided covering every corner of each chapter

- MCQs in line with the requirement of competitive exams and some questions with critical thinking

Content is divided into two levels:

- **Level – I:** Cater the basic need i.e., NCERT (School / Board Exams) with practice questions at the end of each chapters comprising school level subjective and MCQs

- **Level – II**: Contains brief points, Important definitions and important formulae required for Competitive Exams (NEET/JEE/Olympiads etc.) with practice questions at the end of each chapter comprising different types of MCQs

- In **Level – I** & **Level – II** Assignment questions are arranged topic-wise

Benefits

- Scientifically designed Study material helps students in moving gradually from concept to application. Such smooth transition will allow student to reach up to the desired level of preparation without bearing any pressure or stress

- Suffice the requirement of all competitive exams (NTSE/Olympiads/NEET/ IIT-JEE & Other State Level Engineering Entrance Exam)

❯ Guidelines for Online Tests

www.aakash.ac.in

1. The Online Tests shall be available on our website: **www.aakash.ac.in**

2. The Instructions for attempting Online Tests will also be available in Student Login.

3. A sample of online practice test shall be available on our website: **www.aakash.ac.in** as mentioned in the schedule for trial and to make students familiar with the online test process.

4. Each student on enrollment shall be provided a Username and Password through SMS, for attempting online tests.

5. The Username and Password provided to the student will automatically expire after the completion of the course.

6. In order to get All India Ranking, the student should attempt the test within **48 hrs**. If the student attempts the test after **48 hrs.**, he /she will not be eligible for AIR Ranking.

7. No hard copy of online tests will be provided. However, after the submission of the test, print out of the test papers and the solutions can be taken.

Advantage

The score of online tests of a student will be compared to the scores of other students of Aakash BYJU'S, thereby giving students an opportunity to see their simulated rank at All India level among students enrolled at Aakash BYJU'S. The ranking will be provided among all those students who join this program across various cities in India.

NOTE:
Aakash BYJU'S reserves the right to make any change regarding Test Schedule and Date of AIATS without any prior notice.

Important Information for Students & Parents

Dispatch / Test Schedule

The dispatch schedule and topic-wise schedule of the tests can be downloaded from our website: **www.dlp.aakash.ac.in**

Scan the QR Code for Dispatch/ Test Schedule

Office Timing: 09:00 AM to 06:00 PM

Fee / Postal Charges

- The fee includes postage/courier and handling charges for Indian residents.

- Any change of address or phone numbers or any biographical detail should be notified to the DLP Division 15 days prior from the next dispatch date without any delay via E-mail at **care.dlp@aesl.in**, otherwise rest of the dispatches will be stopped.

- If the dispatch is returned to us due to change of address/doorlocked/non-availability of addressee, the courier/postage charges of ₹500/- will be charged for sending the dispatch again. If the said amount is not paid by the student then rest of the dispatches will be held.

- If the study material provided to the student is lost / misplaced once delivered at his/her correspondence address, a duplicate book can be obtained against the payment of ₹300/- per book (including GST), through DD / Cheque / Online / Card.

Note: No Cash will be accepted for any type of fee.

Course/Stream Change Fee

- At any point of time within the academic session if the student wants to change the course then he/she can do by paying ₹500.

- At any point of time within the academic session if the student wants to change the stream then he/she can do by paying ₹1000.

Request for Change of Address & Phone No.

- Any student who wants to change the Address & Phone no., stoppage or resumption of dispatch material should send a request letter via e-mail at **care.dlp@aesl.in**.

- No telephonic request will be entertained, unless confirmed via e-mail at care.dlp@aesl.in. This is being done to prevent any sort of fraud and to safeguard the interest of our bonafide students.

Misprints and Defective Lessons

- Each lesson is checked thoroughly to rectify errors before it goes for printing. However, considering the large number of pages involved, some misprints or errors may occur. In case you notice it, please inform us immediately via e-mail at care.dlp@aesl.in

- As soon as you receive a dispatch, check all the booklets and pages carefully. Blank or missing pages in the lesson must be brought to our notice within 10 days of receiving the dispatch by you via e-mail at care.dlp@aesl.in

- If the missing/defective pages are less than 20, you can contact us about the subject, lessons and page numbers via written application, or e-mail at care.dlp@aesl.in so that we can send you the relevant pages.

- However, if you find more than 20 defective pages in a booklet, you may return the full booklet to us for replacement. In such cases, the charges for courier (for book replacement) will be borne by the student. You can write to us at **care.dlp@aesl.in**

Query

For any kind of query related to dispatch, test papers, misprint, change of address etc., students can mail us at: **care.dlp@aesl.in**
