New Delhi, Aug 23, 2024: Offering an unparalleled resource to ensure the success of students in the prestigious NEET exams, Aakash Educational Services Limited (AESL), the national leader in test preparatory services, has launched the Momentum Booster for NEET -- a comprehensive question bank serving as **the** perfect guide for aspiring NEET students.

The Momentum Booster for NEET is meticulously designed to cater to the diverse needs of students in Classes XI and XII, providing tailored content that aligns with their academic levels and prepares them effectively for the rigorous NEET exam.

The Momentum Booster consists of three books each for Class XI (Physics, Chemistry, Biology) and Class XII (Physics, Chemistry, Biology). By ensuring that questions are tailored to the respective syllabi and difficulty levels of each class, students can focus on their current academic level while effectively preparing for the NEET exam. Additionally, the question bank features a customized subject-wise question format, allowing students to concentrate on specific subjects according to their preferences and needs. This enables students to target their areas of weakness or reinforce their strengths, thereby enhancing their overall preparation for the NEET exam.

Mr. Deepak Mehrotra, MD and CEO of Aakash Educational Services Limited (AESL), stated, "*At Aakash, we continuously strive to provide our students with the highest quality resources to enhance their learning experience and performance. The Momentum Booster for NEET is a significant step in this direction, offering students a comprehensive and rigorous practice tool that covers every aspect of the NEET syllabus. We believe that with this question bank, students will be better equipped to tackle the exam with confidence and achieve their academic goals.*"

Designed for rigorous practice, the Momentum Booster covers each and every concept of a chapter, ensuring comprehensive understanding and practice. It is aligned with current NEET trends, covering all types of questions, including a separate section of Assertion and Reason-based questions in every chapter, mirroring the current NEET exam pattern. To provide a competitive edge, the questions are curated from NCERT textbooks, which are the primary reference material for NEET aspirants.
