Commenting on the impressive results, **Mr. Deepak Mehrotra, CEO and MD of Aakash Educational Services Limited (AESL)**, said, *"We extend our heartfelt congratulations to our students for their outstanding achievements in the JEE Advanced 2024 examination. Their success is a perfect demonstration of their hard work, the guidance of our esteemed faculty, and the exceptional test preparation at our institution. We deeply appreciate the continuous support of the parents throughout their children's journey. Our renowned test preparation program continues to equip students to excel in medical and engineering entrance exams."*

The students attributed their outstanding performance to the hard work and the unparalleled coaching provided by Aakash Institute for the JEE Advanced Exam, which is known for its fierce competition worldwide and serves as the gateway to admission in prestigious IIT colleges across the nation.

This year, a total of 180,200 candidates appeared in both papers 1 and 2 in JEE (Advanced) 2024, with 48,248 candidates qualifying.

JEE Advanced is conducted annually for students who have qualified JEE Mains organized by one of the IITs yearly. While JEE Main is for admission to several National Institute of Technologies (NITs) and other center-aided engineering colleges in India, JEE Advanced is considered as the sole prerequisite for admission to the Indian Institute of Technology (IIT). However, Students must appear for JEE Main to sit for JEE Advanced.

Aakash offers comprehensive IIT-JEE coaching through various course formats tailored for high school and higher secondary school students. Recently, Aakash has intensified its focus on developing Computer-Based Training. Its innovative iTutor platform delivers recorded video lectures, enabling students to engage in self-paced learning and catch up on missed sessions. Moreover, mock tests simulate real exam conditions, equipping students with the necessary familiarity and confidence to tackle the examination effectively.
