

# Aakash Educational Services Limited Launches KCET Plus for Engineering Aspirants in Karnataka

- *The launch of the new KCET + JEE (Main) course is a part of Aakash's vision to offer training to engineering students preparing for regional engineering colleges*
- *Aakash Institute has had the distinction of having State Toppers in KCET for three consecutive years*

**Mysuru, January 17, 2025:** Aakash Educational Services Limited (AESL), the national leader in test preparatory services, has launched KCET (Karnataka Common Entrance Test) Courses for Class XI & XII students in Karnataka. These courses aim to help students excel in regional entrance exams for engineering colleges as well as JEE (Main). The classes, offered in English, will commence after the completion of board examinations.

The KCET courses are part of Aakash's strategic vision to expand its presence in regional markets and provide quality training tailored to students from State Boards alongside CBSE curricula. They offer a comprehensive approach for students preparing for both state engineering admissions and national-level engineering entrance exams.

With approximately 3 lakh students appearing for KCET annually, Aakash aims to bridge the academic gap and provide world-class coaching to students appearing for regional engineering exams.

For three consecutive years, Aakashians have had the distinction of being State Toppers of the KCET viz. Meghan HK in 2021, Apoorv Tandon in 2022 and Vignesh N in 2023.

**Mr. Dheeraj Kumar Misra, Chief Business and Academic Head, Aakash Educational Services Limited,** said *"At Aakash, we are deeply committed to empowering students with high-quality education and holistic training for competitive exams. With the launch of KCET Plus, we aim to provide a strong academic foundation to aspirants in Karnataka, equipping them with the skills, knowledge, and confidence to excel in both KCET and JEE (Main). Our mission is to nurture talent and help students realize their dream of securing admissions in top engineering institutions."*

For students transitioning from Class 10 to Class 11, Aakash offers a two-year integrated classroom course for KCET and JEE (Main) 2027 (CBSE/PUC), starting between March and May 2025 after Class 10 board exams, and in June-July 2025 after results are announced. For students moving from Class 11 to Class 12, a one-year integrated classroom course for KCET and JEE (Main) 2026 (CBSE/PUC) will begin in March-April 2025. Separate batches will be formed for Class XI & XII students, with English as the medium of instruction.

## Key Highlights

- Curriculum will be created focusing on KCET and JEE syllabus
- Study Material will be provided in English.
- Test papers will be prepared by expert faculty.
- Separate batches to be offered for Class XI & XII students.

## PRESS RELEASE

The Karnataka Common Entrance Test (KCET), conducted by Karnataka Examinations Authority (KEA), serves as a gateway for admissions into courses like Engineering, Technology, Architecture, Bachelor of Yoga and Naturopathy (BNYS), B.Sc. Nursing, and Bachelor of Veterinary Science & Animal Husbandry (B.V.Sc. & A.H.). Admissions are available across government, university-affiliated, private-aided, and private unaided professional institutions in Karnataka.

Nearly 65,000 seats are filled annually through the KCET quota, and high-performing students are also eligible for scholarships, further reducing education costs.

### **About Aakash Educational Services Limited (AESL)**

Aakash Educational Services Limited (AESL) is India's leading test preparatory company that specializes in providing comprehensive and effective preparation services for students preparing for high stakes Medical (NEET) and Engineering entrance examinations (JEE) and competitive exams such as NTSE and Olympiads.
