Hello friends, My name is Dravya Marwaha. I joined Aakash in 2017 for 2 year classroom integrated course for JEE Mains and Advanced. I secured 99.9908766 percentile in January attempt of JEE Mains. I am really thankful to my teachers who have always guided me in the right direction. Faculty at Aakash are well qualified and highly experienced. Personalised attention is given to every student in classroom. They deliver content in an interactive way. The study package provided to us is good and sufficient. Success Magnet has quality questions for JEE Advanced. I also like testing pattern of Aakash. We have fortnightly test series and term exams. All India Aakash Test Series (AIATS) provides us the opportunity to check our knowledge at national level. Regular doubt sessions are held in which all our doubts are cleared. I enjoyed my two-year journey with Aakash and credit of my success definitely goes to my parents and faculty members at Aakash.
