Hello Friends, I am Sameer Godara. I joined Aakash in 2017 in 2 years regular classroom course for NEET & AIIMS. I owe my success to faculties at Aakash who have always motivated me during my preparation. They provided me with all the basic and advance concepts required for NEET and AIIMS. Proper and regular doubt clearance helped me to clear my concepts further.

The study material provided by the institute helped me a lot in my preparation. The all India rank given to me in AIATS motivated me to work harder and perform better. I feel that anyone who is truly passionate about medical will find Aakash to be a great platform to achieve their dreams.
