<p>Mello friends, I am Mohit. I joined Aakash (Panipat) in 2017 for 2 year regular classroom course for NEET and AIIMS. I owe my success to faculties at aakash who have always motivated me during my preparation. They provided me with all basic requirement and advance concepts for NEET and AIIMS. Proper and Regular doubt classroom helped me to clear my concepts further. The Study material provided by Institute helped me a lot in my preparation. The All India Rank (AIR) given to me in AIATS motivated me to work harder and Perform better.</p>
