Hello friends, my name is Harsh Jain. I joined Aakash institute for two year classroom programme in 2017. I would like to give credit of my success to my parents, almighty god and faculty of aakash institute. Environment at Aakash is very friendly, teachers are both strict on point of studies and friendly with us outside class. Teachers are very keen in solving our doubts in class as well as gave us time if we want for doubts. Here there are many type of tests and AIATS I find very good as we get to know where we stand at all indio level and I owe the credit of my success to Aakash institute and advice all the NEET and AIIMS aspirants to join Aakash for a bright future.
