I am Akshat Kaushik and I joined Aakash institute 4 years ago in class IX<sup>th</sup> as a pre-foundation student and since then, my journey as a medical aspirant has been tied to Aakash institute, the books, the teachers or the classrooms, ~~of everything~~ Faculty at Aakash is extremely caring & hardworking, ~~which makes~~ who make it a point for every student to be equally interactive in the classroom sessions. The management system along with the test programmes are a wholesome package, more than optimum, for any medical aspirant looking to achieve his or her full potential. My 4 year journey has been hard but worth it and I would like to express my gratitude towards my family, my teachers & my friends for their love & support for me. I wish good luck to all the medical aspirants after me & recommend Aakash as the best coaching with a great platform to help the passionate students achieve their goals.
