Hello friends, I am Milish Rai. I joined Aakash (Sec14) in 2017 in 2 year regular classroom course for NEET and AIIMS. I owe my success to faculties at aakash who have always motivated me during my preparation. They provided me with all the requirements for NEET preparation. Faculty cleared our every concepts. Physics sir's short concepts and trick to solve hefty problem was of great use in competitive exam. Classroom environment is very learning-friendly and was a power boost to our knowledge. Proper and regular doubt clearance helped me to clear my concepts further. Every teacher is very ready to clear our doubt anytime. The study material provided by the institute helped me a lot in my preparation journey. All the test conducted by Aakash, especially AIATS helped us to find our loop holes and strengthening our weak points. Teachers provided us with different methods to learn different concept especially chemistry sir's memorics was of great help.
