<p> Hello Friends, my name is Janish Gupta. I joined Aakash Institute in 2018 in 2 year classroom program, for JEE (Main & Advanced). I owe my success to my teachers at Aakash who always motivated me during my preparation and cleared all my concepts from basic to advanced level. Regular doubt clearing helped me a lot. The study material at Aakash is comprehensive and is in itself complete. The regular and large no. of tests helped me increase my speed and judge my preparation level. The AITS helped me to judge my pan India rank and motivated me to work harder. </p>
