Name of Examination NEET UG 2020

Examination Roll No. 4201122291

Hello Everyone!

I am Snikitha Tummala. I joined Aakash Institute in 9th class as a foundation student and then took the 2 year integrated class room course for NEET UG 2020. In the last 4 yrs I spent here I learnt a lot and I'm extremely grateful to the faculty here. The teachers are highly qualified and are always ready to explain our doubts. They constantly motivated me to achieve my goal. The study materials of Aakash are very extensive. They contain content based on NCERT and additional information in the form of knowledge clouds. They have try yourself questions and several assignments at the end of the topic apart from the previous year questions from that topic. In addition we were given last year material during the revision which helped us strengthen our concepts. Aakash conducted several tests such as Fortnightly tests, term tests and ARBTS. ARBTS is written by thousands of Aakashians and Non-Aakashians and helps us to know our rank at the national level. Even during the pandemic Aakash ensured that our preparation was not derailed by conducting ARBTS and extended ARBTS test series. There were also doubt clearing sessions through Zoom. Finally I would like to thank Aakash for this success and would definitely recommend it to the future medical aspirants.
